Good paved strip. Usually land from the north depending on the wind. The airport manager lives in the airport office with wife and children and is very helpful. Don't worry about unloading your aircraft or tying it down because as soon as you shut down, there will be six kids there to push you back, tie you down, unload your plane, get a taxi, and be your personal guide to the City of Alamos for as long as you want.

Alamos

One of Mexico's best-kept secrets, visiting Alamos is like taking a step back 100 years. The central area has been retained as colonial Mexico.

The main plaza is a must with the Marcido just one block away. There are many American homes here and most hotels are walled in with all rooms opening into open plazas.

Hacienda de los Santos 011 52 642 80222

Eight years in development by BBP Members Nancy and Jim Swickard, this Five Star Resort has all that Alamos can offer. Restricted to adults over 18, this is the place to come for a true getaway. The property contains 20 rooms (with 12 more in development) as well as three swimming pools and its "World" famous Tequila bar. The Hacienda will pick you up at the airport with prior notice as well as will provide you free parking for your aircraft in its hanger.

Hotel Casa de los Tesoros 011 52 642 80010

One of Arnold's favorites and a favorite of ours, this Alamos hotel has been around for as long as anyone can remember. The Tesoros has twenty rooms, a pool, a restaurant and bar. For a piece of history, this is a must. (14 rooms, pool, bar, dining room)
